

MIRENAS/JAYDESS PATHWAY

This pathway funds the insertion cost of Mirena or Jaydess for Contraception and Menorrhagia for eligible patients according to access criteria below.

Access Criteria:

- **Maori, Pacific or reside in Quintile 5**
- Enrolled with Health Hawkes Bay

Patients are responsible for payment for the first visit to the GP prior to the appointment for the insertion of the Mirena/Jaydess.

Components to this pathway:

1. Complete the electronic referral through Halcyon Provider Portal:
CPO Programme Referral- LARC/Menorrhagia Pathway for Mirena/Jaydess
2. If the GP/NP does not provide this service, patients will need to discuss this with their GP/NP and be referred to another provider who can insert the device.
3. Patients pay for the first visit to the GP/NP-in the same way they do for all CPO pathways. This includes referral, swabs etc
4. Invoice through the electronic form on Halcyon Provider Portal. There is a set fee for the cost which includes the cost of insertion, follow-up consultation, if required and materials.
