

# Medtech32 / Medtech Evolution – Inactivating Advanced Forms

1. Go to **Set up > Advanced Forms > Advanced Forms Manager**

2. In the **Publisher** box, choose the publisher for the forms.

3. Find the Advanced Form in the list, and double click to open the form properties.

4. On the **Actions** tab, tick the **Inactive** box in the bottom left corner of the window. Click OK.

View Advanced Form
