Te Kura Nui <i>A cultural responsiveness curriculum which will be taught to all staff in general practice. Its main purpose is to teach Māori culture and protocols which will guide, support, and strengthen culturally responsive practices for staff creating a cultural safe working environment for them and their patients. There are four levels each level will be taught in a four-hour workshop, face to face or online.</i> <i>Four sessions are run over a course of 1 year.</i>	PHO	Māori Health Team Charmaine Robinson	021 982 518	charmaine.robinson@healthhb.co.nz	tekuranui@hnb.co.nz	Free
Pegasus Small Group Education <i>The Small Group Programme provides in-depth education on topics that are engaging, relevant and strategically important to the New Zealand health system. Training consists of groups of 12-15 healthcare professionals across multiple disciplines.
