

EXPRESSION OF INTEREST: JOIN THE HAWKE'S BAY INTEGRATED CARE LEADERSHIP GROUP

Our Hawke's Bay region needs to bring passionate and visionary leaders from across the network to join the newly formed **Hawke's Bay Integrated Care Leadership Group**.

This group will play a pivotal role in shaping the future of integrated care across our region. We are establishing a team of leaders who will work collaboratively to develop, implement, and champion integrated care strategies that are grounded in co-design, equity, and the principles of integrated care.

Purpose of the Leadership Group:

- **Establish and enable** a system (primary, secondary, Hauora, and community care) wide leadership team to guide integrated care development in Hawke's Bay.
- **Co-design services** with whānau, communities, and primary, secondary, Hauora, and community care providers to ensure they are person- and whānau-centred.
- **Utilise Integrated Care principles** to drive innovation, improve outcomes, and reduce fragmentation across the Hawke's Bay health system.
- **Support service development** that is responsive, equitable, and sustainable through investment ensuring long-term impact and resilience.
- **Strengthening partnerships** across the network to enhance collaboration.
- **Advocating** for the value of the workforce, supporting and enabling those delivering care.

Who we're looking for:

We welcome expressions of interest from leaders across our Hawke's Bay health system (primary, secondary, Hauora, and community care) who:

- Are committed to equity and whānau-centred care.
- Bring experience or interest in integrated care models.
- Value collaboration, innovation, and co-design.
- Are ready to contribute to system-level change.
- Data driven, using evidence and insights to inform decisions and measure impact.

For information about the journey we have travelled thus far see : <https://healthhb.co.nz/integrated-care-in-hawkes-bay/>

How to express your interest:

Please submit a brief expression of interest outlining:

- Your current role and organisation.
- Why you are interested in joining the leadership group.
- What strengths or perspectives you would bring to the group.

Deadline for submissions: Monday 14th September. **Submit to:** Nicole.cunningham@healthhb.co.nz

The leadership group will form to cement a longer-term Integrated Care Strategy in Hawke's Bay. Initially this will take the form of fortnightly meetings for the first three months, with the following commitment determined by the finalised plans and funded proposals"

We are looking forward to the development of a more connected, equitable, and responsive integrated system of care for the Hawke's Bay region through your leadership and expertise.
